### ABOUT ME

During high school, I gained fundamental knowledge in the areas of Economics and Law, focusing on economic principles, market analysis, and legal systems. The education provided a solid foundation in financial management, legislation, fundamental rights, commercial contracts, and conflict resolution. Additionally, I participated in practical activities that included discussions on current economic issues, the application of legal concepts in real-world situations, and the analysis of economic and legal cases.

### EDUCATION AND TRAINING

#### Economica e Juridica
